A photograph of a modern, dimly lit hallway leading to a brightly lit entrance. The hallway floor is covered in a large, interactive digital art installation. The art features a central rectangular area with a light blue background and a pattern of small, dark, fish-like shapes. In the foreground, there are three circular light projections on the floor, each containing a different scene: a fish, a circular pattern, and a fish. The walls are made of dark, textured panels. A blue banner hangs above the entrance, displaying the text "MIMARU APARTMENTS HOTEL TOKYO HATCHOBORI" and a logo consisting of a square with the Japanese character "卍" inside. The overall atmosphere is sophisticated and technologically advanced.
